

Name \_\_\_\_\_

## Number Juggle 5

Use as many of the numbers (2, 4, 5, 7, 9) as you can with any of the signs +, -, x, ÷, ( ) to make true equations. Try to use all five TVs in each equation. Cross out TVs that can't be used. Each crossed out TV is one point. Try for low score.

Score \_\_\_\_\_

|   |   |
|---|---|
|      = 1           |      = 7            |
|      = 2 |      = 8  |
|      = 3 |      = 9  |
|      = 4 |      = 10 |
|      = 5 |      = 11 |
|      = 6 |      = 12 |
